Thanks so much for the updates. From the Hollywood chamber team, I turning this over to Leron Gubler (chamber president/CEO) , Ana Martinez (WOF producer and VP publicity) as well as Jackie Lugo who serves as the secretary for the Hollywood Historic Trust.

These are the folk to be connecting with here going forward, so you may leave me off the future correspondence.  
Thanks so much but pls let me know if there is another way I can help!

Dear Lt. Baez,

According to your list there are 15 existing signs. Is it LAPD's position skateboards should be prohibited on Hollywood and Sunset Blvds., between La Brea & Argyle (HED)? Once the area and streets are identified we will have a better idea how many signs are needed.

Now that there are over 30 (LAMC 41.27d) signs posted in the parking lots adjacent to ABC locations, the ACE citations for those offenses have increased and the nuisance activity related to the same parking lots has decreased. Thank you Hollywood BID and Kerry Morrison for the signs.

To that end, I have included ACE Supervising Attorney, Rita Venegas, on this email to ensure the signs are consistent with the ACE skateboard violations and ACE enforceable.
